A Request for Continued Examination including the fee set forth in 37 CFR 1.17(e) is attached to this communication. The applicant declares being a small entity.

To the best of the applicant understanding, according to MPEP § 706.07(a), when the Claim Rejection 35 USC § 102 was based on an error or mistake by the Examiner, as is explained in this communication, the new ground of rejection should have not been considered as "necessitated by applicant's amendment of the claims". Therefore, the Examiner is requested to consider refunding the fee that is attached.
